- Simrad Navigation Systems
- Transas ECDIS Chart systems
- Computer systems

He is also a qualified Ship Security officer and can assist you in your compliance with ISPS code.

Danielle is a trained chef who has been working in the hospitality industry for 10 years. She is also an experienced stewardess and can run your boats interior for you in a discreet and professional manner.

She is also an experienced deckhand and is equally as happy working on deck as in the interior or the galley. She can drive the tender, do line work, splice lines, assist in the mooring of the vessel and help clean.

We both hold MCA certificates in medical care aboard ship which means we can care for you and your family or guests if they feel ill.
